## **OFFICIAL USPTO NOTICE OF REGISTRATION**

**U.S. Application Serial No.** 97660880

**Mark:** ZEGA

**Owner/Holder:** Zhejiang Zhigao Machinery Co., Ltd.

**Docket/Reference No.** 188AY.081UST

**Issue Date:** December 19, 2023

Your mark has registered with the United States Patent and Trademark Office (USPTO). Your United States trademark registration number is 7246872.

View and download your registration certificate using the [Trademark Status & Document Retrieval \(TSDR\) database](#). If you have difficulty accessing the registration certificate, contact the Trademark Assistance Center (TAC) at [TrademarkAssistanceCenter@uspto.gov](mailto:TrademarkAssistanceCenter@uspto.gov) or 800-786-9199 (select option #1). New registration certificates are issued electronically. For more information, visit the USPTO's [electronic registration certificates webpage](#).

If your registration certificate contains an error that would not require republication to correct it, you can use the Trademark Electronic Application System (TEAS) [Section 7 Request for Amendment or Correction of Registration Certificate \(Section 7\) form](#) to request correction of that error.

### **Order presentation copies online:**

You can order a printed presentation copy of your registration certificate using the TEAS [Order Trademark Presentation Copy of Registration Certificate form](#). The presentation copy is suitable for display and framing. For more information on the availability and cost of presentation copies of trademark registrations, visit the USPTO's [electronic registration certificates webpage](#).

### **Requirements to maintain your registration:**

- File your registration [maintenance documents](#) at the required times.
- **If you do not submit your maintenance documents at the required times, your registration will be cancelled.** If that happens, you must file a new application. Filing a new application doesn't guarantee your trademark will register again.

### **Please note the following:**

- You may receive unsolicited offers and notices from third-parties not affiliated with the USPTO. All official correspondence about your trademark registration will be from the "United States Patent and Trademark Office" in Alexandria, Virginia, and all emails will be from the domain "@uspto.gov." Visit our [misleading notices webpage](#) for more information.
- If your registration covers products that are likely targets for international counterfeiters (e.g., popular or high-demand

products), consider applying to record your trademark registration with U.S. Customs and Border Protection (CBP). Recording your trademark registration helps CBP detain and seize imported goods if they violate your recorded trademark. Visit our [recording trademark registrations with CBP webpage](#) for more information.

- To help ensure that you receive emails from the USPTO, keep your email address(es) current using the [Change Address or Representation \(CAR\) form](#) and add USPTO email addresses to your contacts or "Safe Senders" list.
- If your trademark registration identifies goods and/or services not in use with your trademark, you can use the [Section 7 form](#) to request deletion of any goods and/or services not in use with your trademark. There's no fee to file a Section 7 form if you file the Section 7 form before you file your required registration maintenance documents, and you are only deleting goods, services, or classes. Other amendments and corrections may require a filing fee. For information on amendments and corrections after registration, see [TMEP §1609](#).

If you have any questions about this notice, contact TAC at [TrademarkAssistanceCenter@uspto.gov](mailto:TrademarkAssistanceCenter@uspto.gov) or 800-786-9199 (select option #1).

## REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

### Requirements in the First Ten Years\*

#### What and When to File:

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.\* See 15 U.S.C. §1059.

### Requirements in Successive Ten-Year Periods\*

#### What and When to File:

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.\*

### Grace Period Filings\*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**\*ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

**NOTE:** Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

**NOTE:** A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.

The USPTO has assigned design search codes to your application (U.S. serial number: 97660880).

**Design search codes assigned to your application:**

14.05.07 - Bits, drills  
14.05.07 - Drill bits  
14.05.07 - Drills

If you would like to request that we add or delete a design search code, please email [TMDesignCodeComments@USPTO.GOV](mailto:TMDesignCodeComments@USPTO.GOV). Include your name, application serial number, a list of design search codes you would like to add or delete, and a brief justification. We will process your request within two business days. If we approve your request, the updated list of design search codes will appear in our Trademark Status and Document Retrieval (TSDR) database, accessible at <https://tsdr.uspto.gov/>, under the "Mark Information" tab.

Design search codes are numerical codes we assign to the prominent features of your mark's design. We call these features "design elements." A design element can be any component of your mark that is not a word, such as a depiction of a star or a flower. Assigning design search codes to your mark helps us more effectively search our database for marks that may conflict with yours. Design search codes have no legal significance and will not appear on the registration certificate.

For more information about design search codes, including why and how we use them and information on adding or deleting design search codes from your application, please visit our design search code webpage at <http://www.uspto.gov/DesignSearchCodes>. For a list of design search codes, see the design search code manual at <http://tess2.uspto.gov/tmdb/dscm/index.htm>.

For questions, please call 1-800-786-9199 (option 1) to speak to a Customer Service representative in the Trademark Assistance Center. Please visit <http://www.uspto.gov/TrademarkAssistance> for additional information about the Trademark Assistance Center.

This notice will be available in TSDR in one business day.
